Branch 616 members and friends are enjoying these hot summer days in relax mode with outdoor activities such as golf and horseshoes. On the inside, cool down in air conditioned comfort with a cold refreshment while enjoying the pool table. Meanwhile all standard duties are ongoing.

Regret to report, that due to the high summer temperatures, our Veteran’s annual July visit was postponed; it would have been too uncomfortable for them to be shuffled back and forth in 30 degree heat. We will have them out to the Branch in September when we have cooler days.

The 2025 Earlybird Membership Campaign will begin on September 1st. When you submit your dues during September, October and November, you become eligible for a discount and a refund. All names go into a draw and one is selected each month for the refund. Everyone who pays during the campaign gets the discount. Dues revert to normal on December 1st.

Legion Week will be from Sunday, September 15 to Saturday September 21. The schedule of events will be in next month’s issue.

Last Post: We mourn the passing of Sheila Dolan, Past President, Life Member, and enthusiastic volunteer. She served on many branch executives and was President of 616 for 8 consecutive terms. Deepest condolences to her husband George and their family. RIP Comrade
